\$350 Asked By George Warmer To Year's Expenses Of Y. M. Budget; All College Men Asked To Pledge

Three hundred twenty-five dollars is the goal at which the Y. M. C. A. is aiming in the three day drive which officially opened this morning under the leadership of Abbott Mason.

Every man in the college is to be asked for a pledge. There is no limit to the donation but all are asked to give what they can afford. All pledges must be paid before December 15.

The present budget, which President George Warmer has compiled, provides for the expense of sending delegates to the annual Y. M. C. A. conference at Asilomar during the Christmas holidays, speakers and entertainers for the banquets, and entertainment of the Y. W. C. A. and H. Y. on separate occasions. The Y. Retreat and Y. Mixer are also listed.

Pledges were made by members at a meeting in the local "Y" Monday evening. New members were formally admitted to the organization at an impressive ceremony.

Attendance at the bi-monthly banquets has shown a great gain this year and it is expected that it will greatly surpass last year's attendance.

Drama Class Gives Play In Assembly

Featuring the assembly to be held in the auditorium today is the one act play, "Spirals," given by members of the advanced drama class. The play, under the direction of Ernest Crozier Phillips, is a melo-drama, and includes in its cast, the following: Mary, Mrs. Smith; Nina, Clara Kate Owens; John, Willie Carlyle; Claude, Bob Squire; waitress, Mary King.

Dons Need Horses For Parade Float

Further plans for the junior college Armistice Day float were discussed last Monday at a meeting of the faculty and student committees, although final preparations have not been completed.

The C. H. Chapman Lumber Co. has agreed to furnish a truck for the occasion. Four horses will be needed for the Dark riders accompanying the float. Expert riders are also in demand.

"Don" characters will be on the float giving picturesque exhibition of Spanish dancing and singing. Everything is to be in keeping with "Old Spanish Customs" and in carrying out the "Don" spirit.

The "Float" will be displayed at Huntington Beach, November 11 in the Armistice Day parade.

The following composed the student and faculty committees: Warren Schultz, chairman, George Butler, Al Kluthe, Abbott Mason, Lavinia Compton and Ruth Fitz. Faculty committee: Thomas H. Glenn, chairman, Miss Myrtle Hurt, Mrs. Eleanor Northcross, and Rufus Bond.

Guilbert, Warmer Lead Don Contest

Votes in the Don popularity contest must be handed in by midnight, October 31 to be eligible for counting and a landslide of ballots is expected at the end of the contest.

Hundreds of votes were deposited in the ballot box last week when the Dons appeared and many more were left at the Stein Stationery stores. Miss Hazel Guilbert and George Warmer are at present leading the field but will receive stiff competition from the other entrants. The winners in the boys and girls division will receive handsome pen and pencil sets donated by the Stein Stationery stores.

Warmer is being closely pressed by Herald Hylton, Stewart McPherson, Baxter Geeting and Robert Chapman and the final result should be very close. Although Miss Guilbert has a big advantage over Miss Lavinia Compton, Miss Clara Kate Owens and Miss Isabelle Siracusa, the lead could be whittled down on short notice.

The standings are as follows:

MEN	
Stewart McPherson	59
Robert Chapman	43
Herold Hylton	43
Baxter Geeting	35
Delmer Brown	8
Carol Bertolet	8
Kenich Tanaka	8
Total	264

WOMEN	
Hazel Guilbert	89
Clara Kate Owens	59
Isabelle Siracusa	56
Lavinia Compton	45
Mary McHenry	39
Mildred Staples	34

Budget Accepted In Executive Meeting

Adoption of the proposed budget for Santa Ana junior college took place Monday evening when the Executive Board took a final vote on the matter.

According to the plan, all income from any source shall be subject to distribution to the various accounts on a percentage basis, unless the specific income shall be declared exempt by the Executive Board. For example, the income from advertising in the Don shall be deposited in the Don fund.

The Executive Board agreed to pay any deficit incurred by the Soph-Frosh, the Frosh-Soph, and A. W. S. dances, up to the amount of \$40.00, provided that the members of the organization giving the dance, who attend the affair, pay fifty cents.

Although the Bachelors club declined the offer, the Junior Lions accepted the plan of a \$40.00 subsidy from the Executive Board to be applied on the dance which is open to the school, provided that tickets be sold at \$.50 per couple.

All moneys of all organizations must be deposited with auditor G. B. Holmes, room 218, instead of at individual banks. This is for the mutual protection of student officials and the school.

Y. W. C. A. Planning Retreat Saturday

Plans are now being made for the Y. W. C. A. retreat which is to be held November 1, 2 and 3, at Camp Emma Otis in the San Bernardino mountains.

The Y. W. C. A. holds a retreat twice a year and is greatly enjoyed by all the girls. Although the plans have not been completed, a definite plan has been decided on. Virginia Thomas, in charge of the transportation, stated that arrangements are being made to go to the camp in private cars. Isabelle Siracusa is in charge of the refreshments. Elsiebell Hurd, in charge of the activities for the two days, gave an outline of the plans. The girls will go up on Friday afternoon, November 1, after school. Friday evening will be spent in singing around the camp fire. There have been several hikes and games planned for Saturday. Saturday evening will be taken up with stunts, singing, etc. On Sunday there will be a speaker and then the girls will return on Sunday afternoon.

Mid-term Exam Date Released By Office

Mid-term examinations will be given from Wednesday, November 13 to Friday, November 15. Classes that fall on Monday, Wednesday, and Friday, during the 1, 3, and 5 and 7 periods will have their examinations on the 13th. The examinations for Tuesday and Thursday classes will be given the 14th and the examinations for Monday, Wednesday and Friday, classes during the second, fourth, sixth, and eighth periods will be given on the 15th.

Classes will have just the regular 50 minute periods for examinations.

Literary Students Discuss Readings

"Summer reading" was the topic upon which each Tavern Tattler member spoke at the meeting held in the college library, recently. Many interesting reports were made, covering a wide diversity of subject matter.

Several matters of importance relating to the publication of "The Tavern Post" were taken up during the business meeting called to order by the president, Fred Humiston. A trip was made to the Pasadena Community Play House, Friday, October 25, to see the production of "Julius Caesar" in which Gilmer Brown and Francis X. Bushman take the leading roles.

Seven journalists from the Santa Ana junior college will convene with representatives from the other 15 junior colleges of California, Saturday, November 2, at the Breakers hotel in Long Beach for the fall convention of the California Junior College Press Association.

Those planning to attend from The Don and The Algal are Rodney Chamberlain, Don editor-in-chief; John Dunlap, Don news editor; Carl Bergman, managing editor; Lyman Crowl, Don business manager; Frank Mansur, Algal business manager; Doyle Stockton, Don feature department and U. Grant B. Meyer, Don faculty advisor.

The convention will start at 9 a. m. and the program continues for the rest of the day, culminating in a dance in the evening. After the business meeting in the morning hours, individual conferences will be held for the different divisions of the paper and yearbook staffs. A football game will also be played in the afternoon. Luncheon will be served in the Breakers hotel while dinner will be served in the spacious Pacific Coast club.

The Santa Ana delegates are planning to take an active part in the discussion groups. The October 23 issue of the paper was entered in the contest for the best papers. Front page makeup, the best news story and the best editorial will be judged.

Although the Don is to be enlarged to six columns starting next week, the old five column style had to be entered in the competition. Last year, three members of The Don staff made the trip to San Mateo where the convention was held.

Algal Staff Holds Organization Meet

Getting into the spirit of the year's work was the objective of the first meeting of the Algal staff held last Thursday, October 24, at 7 p. m. Miss Lavinia Compton, editor, instructed the staff with regard to the policy of the annual, and the work to be accomplished. Regular staff meetings are to be held the first Wednesday of every month at 7 p. m. Specific assignments, with regard to the first deadlines for copy, have not been given out. The work will start almost immediately, however.

The complete staff is as follows: associate editor, Elva Cook; business manager, Frank Mansur; art editor, Mary Louise Wallace; assistant art editor, Abbott Mason; mounting editor, Tom Clark; assistant mounting editor, Bill Reinhardt; administration editors, Florence Caverly, Fred Humiston; class editors, Delmer Brown, Jack Bergen; activity editors, Evelyn Bahr, Virginia Thomas, Leroy Arnold, Betty Maloney, Adaruth Ellis; organization editor, Mary Ford; athletic editors, John Dunlap, Mildred Staples; snapshot editors, George Butler, Helen Mayes; copy and proof reader, Frances Larrabee; typists, Nellie Sackett, Mary Elizabeth Smith.

REMEMBER THE "Y"

Every male member of Santa Ana junior college is asked to pledge what he can afford to the "Y" in the drive which opened this morning and will be terminated Friday night. The work that this organization accomplishes covers a field which no other activity approaches.

The Y. M. C. A. is not a gathering of academic-looking, bespectacled sisters who are trying to reform bad boys. It is a group in which the manliest and most popular of the Don "he-men" are included. The organization is the service club of the college and stands for world brotherhood.

Pledge now.

MORE CLUBS

The abundance of clubs around the Santa Ana campus is becoming noticeable. The Long Fellows' club, an organization of six footers, is being organized at the present, and, according to notices on the bulletin board, organizations called the "Russians" and the "Chisslers" are to be organized.

It is a good thing to have enough organizations in the college so that people of all interests may take part. Those who are dead and take no part in any activity, who don't even belong to the associated students are of little use to the school.

It is hoped, however, that the membership of the new organizations will not entirely duplicate that of the old ones or their purpose will be lost.

ASSEMBLY

It's too bad more students can't or don't turn out for assemblies. I heard an orchestra leader say the other day that he would like to play in assembly but he didn't think it would be worth while because of the small attendance. There are always many who are loitering about the buildings doing nothing at this time.

Are You a Flop?

Napoleon said: "An army marches on its stomach," or words to that effect.

And that great army of children that is mobilized into the schools defeats itself because of its stomach.

Eat right and your minds will develop with your body. Pres. Hoover said: "The white race cannot survive without dairy products." Isn't there a tip in that to you?

A quart of Excelsior milk every day will do it. We said that before.

Teacher: "Johnny, will you please give me a sentence with the word pantomime?"

Johnny: "Sure. A fellow yells into a room, 'Yes Mary, come on out, I can hear you breathing,' and she yells back, 'Go on, stupid, that ain't no pantomime.'"

HALLOWE'EN

Such plans such insipid giggles and shy glances! All because it's almost Hallowe'en. If you walk around the campus and see girls in little groups laughing and talking, you can be certain that the conversation is something like this.

"Who are you going with?" Oh, I think he's just the cutest thing!"

"Are you going to Alice's party?" "Yes, just think I have three parties to go to, one right after the other."

"What kind of costume are you wearing?" Here the conversation probably becomes so confused you can't understand it.

Silly conversation for college girls you may say, but it must be the goblins in the air.

Our father slipped upon the ice because he couldn't stand. He saw the glorious stars and stripes. We saw our father land.

Visitor: "How does the land lie out this way?"

Native: "It ain't the land that lies, it's the real estate agents."

FROGS!

Perhaps you have noticed some of the students running around with large boxes under their arm or maybe you have heard some of them say, "Oh those frogs—they make me sick. And you imagine it, my dear, we had to cut a frog up. Oh, it was terrible. The poor frog. You know, if I had been that frog I sure would hate to have a student cutting me up and studying my insides. You know my dear, it really is disgraceful the things we have to do to that poor frog. Of course, he don't know anything about it. He's been pickled, I mean preserved, for a long time the prof says. And the other day we had to find a live frog. Yes, I mean it, we actually had to feed the frogs some flies and we had to watch them jump after them. Poor flies! Actually, my dear, it was like a slaughter because the poor little fly didn't have a chance against a great big old frog. Oh yes, my dear, zoology is a very interesting subject. You must be sure to take it.

Hallowe'en Party Held By Artists

Festivities of Hallowe'en were observed at a jolly Chroma club party held at the home of Miss Goldie Peale, 729 South Sycamore, Friday evening, October 25. Dimmed lights and a "spooky" ghost greeted the members as they came to the end of a dark pathway blocked by a ladder.

An exciting treasure hunt through the surrounding territory ended with Miss Anna Gilles, faculty adviser, winning the prize. "The Parade of the Famous Ghosts" proved very amusing with each member in ghost costume, representing a famous historical character. A clay modeling contest of Hallowe'en was won by Geraldine Cole who was presented with an attractive prize.

Delicious refreshments in charge of Maybelle Ball, were served buffet style. Adding a humorous note came the organ grinder and monkey in ghost attire who collected coins from "the poor artists" to pay for the expense of the party.

Concealed in orange colored walnuts given to each guest, were mystical fortunes that appeared on seemingly blank pieces of paper when held over a candle.

Those who were present included Goldie Peale, hostess, Miss Anna Gilles, faculty adviser, Lillian McDonald, Maybelle Ball, Mary Harlow, Lillie Danieson, Grace Marcher, Mary McHenry, Hazel Guilbert, Mary Louise Wallace, Geraldine Cole, Isabel Johnson, Dorothy Beasley, Corinne Nelson, Herman Hoch, Bill Hewitt, Abbott Mason, Jack Dutton.

German Club Plans On Social Events

Members of the German club will hold a social-business meeting on November 8, according to Nevin Hoy, president of the society. The party will be held in the home of one of the members, the location to be announced in next week's issue of the Don.

It is urged that every member of the society be present. A discussion of the club's plans for the coming year will be outlined. Nominations of the officers for the various committees will also be held.

The German society promises to be one of the most active clubs of the campus, its first meeting having an attendance of 20. The societies membership is open to students who have had German either in high school or college. There are many former German students that would gain benefit from membership.

Many Enjoy Fiesta Of Cervantes Club

More than 40 members of the Cervantes club were present at the dinner meeting held recently. Familiar Spanish songs and games formed the program which was followed by a menu of Spanish delicacies.

Members of the Cervantes club expect to hold many interesting Spanish programs throughout the school year.

Conclude Plans For Musical Department

Plans for the musical calendar have been approved by Miss Myrtle Martin, head of the high school and junior college music department. Members of the women's quartet who won in the tryouts are Katherine Kervin, first soprano, Frances Harper, second soprano, Audra Schmid, first alto, and Nada Hill, second alto.

Those who won places in the men's quartet are Clark Brown, first tenor, Art Beddoes, second tenor, Sieman Toelle, first bass, and Virgil Purvis, second bass. Members for the mixed chorus have not been chosen.

Miss Martin is planning a concert which will present members of the junior college glee clubs, men's quartet, women's quartet, individual soloists, and orchestra sections.

New Officers Elected For Parisian Society

One of the outstanding clubs of the Santa Ana junior college is the French club, which was primarily organized for advanced French students, with Miss Lella Watson as sponsor and adviser.

Nominations were held during the meeting, the following being elected: Isabelle Siracusa, president; Delmer Brown, vice-president; and Florence Caverly as secretary-treasurer.

It is the aim of the French club, like other language clubs of the college, to create an interest in the language and to develop an easier expression among the students.

Committees Chosen For W. A. A. Spread

Meeting in the gymnasium last Thursday, the W. A. A. cabinet discussed future plans for a spread, to be held some time in December for all W. A. A. members.

Chairmen for several of the committees were selected at this time, but all the chairmen were not chosen.

Those who will be announced at a later date. Selected at this time were Elsiebell Hurd, who has charge of the advertising, Helen Hendricks, invitations, and Irene Whistler, refreshments.

At this time also, Roberta Goodrich was appointed to look after suits for the swimming team, and Helen Lee is to look after some red and black socks for the various other teams.

Two Organizations Making Final Preparations For Hallowe'en Party Staged In "Haunted House" Tonight

Expectation ran rife on the Santa Ana junior college campus today as the combined forces of the Press and O. K. clubs perfected plans for their annual Hallowe'en party to be held tonight in a haunted house in El Modena.

Plans of the entertainment and decoration committee have not been divulged, but advance rumors have it that there will be an abundance of witches and goblins. Those planning to attend the party will meet at 6:30 in front of the junior college building, dressed in their oldest clothes and wearing masks. Transportation of a novel manner, a hay-rack drawn by spirited mules, has been procured.

Two committee meetings were held

last week to make arrangements for the party. A trip was made out to the "haunted house" last Tuesday evening by a group of Press and O. K. club students.

Members on the social committee are Rosey Hartman, Eunice Hanson, Helen Hamilton, Charles Adams, Bruce Harbottle, Nancy Cox, Meriam Samuelson, Vivian Herr, and Hazel Guilbert.

On the clean-up committee are Le Roy Arnold, Rod Chamberlain, Herman Hoch, and Doyle Stockton.

DON SPORTS

Cookmen Beaten By Chaffee In Conference Tilt

Fumbles, the eterna "bugaboo" of football, cost the Santa Ana junior college Dons a hard fought football game against the strong Chaffee junior college Panthers last Saturday, which the locals lost 6-0 at Ontario.

The defeat sent the Dons bounding down the line from first to third place with Chaffee and Fullerton in a tie for first place while Santa Ana and Pasadena are next in line.

Four times the fighting Dons worked the ball to within the 15-yard stripe, but twice Manderscheid fumbled when less than a yard was needed for a first down.

Despite the lone touchdown made by Chaffee on a forward pass, Santa Ana made nine first downs to four for Chaffee. Both teams were forced to kick frequently, with the Don booters getting the worst of the deal. The Panthers made the only score of the game in the middle of the second quarter. Crawford was thrown for seven yards when he couldn't get off a kick, and on the next try, kicked the ball sideways, the pigskin going out of bounds on the Dons 33 yard line. Keough and Walker ran the ends for three good gains, bringing the ball down to the 11 yard line. After three thrusts at the line and not going an inch, Keough threw a bullet pass to Ball over the goal line for a touchdown. Manderscheid, playing that half, had his man covered to perfection, but misjudged the ball and had to be satisfied with barely touching it, and let the Chaffee man have it for a score.

At the end of the third stanza and at the beginning of the fourth the Dons seemed serious (for a change) and worked the ball to the Panthers 14 yard stripe, after which Manderscheid fumbled and Chaffee kicked out of danger.

Wayne Garlock came right back to intercept a long pass and was downed on the 50 yard line. Here the Dons again started a goalward drive, but as fate would have it, Manderscheid again fumbled and the Panthers 6 points were safe.

Dons Idle Saturday In Conference Bye; San Berdoo Is Next

Santa Ana football fans will have to turn elsewhere next Saturday when the Dons draw a bye in their conference schedule.

After having successfully jumped the first two hurdles Coach Cook's men stumbled on the third last Saturday at Ontario, when Coach Bert Heiser's men caught the Dons asleep and won a 6-0 decision.

Coach Cook is planning a practice tilt with Blanchard Beatty's all-star team some time during the end of the week, but there will be no game Saturday.

The Dons are fortunate in drawing a bye at this time because it will give the team a good chance to recuperate and then be ready to tackle the rest of the competition in much better shape. The week following the bye, November 9, the Dons meet San Bernardino on the local field.

Sophomore Women In Win Over Freshmen In Ball Game, 30-17

Completely overwhelming their opponents, the sophomore team, captained by Staples, brought about a score of 30 to the 17 tallies of the frosh team, captained by Lee. The two teams came together last Wednesday.

Marion Parsons, frosh guard, was injured during the first few minutes of play; the game was resumed when Cox took her place. The frosh team managed to withhold the onslaught of the sophs until the third, when the latter broke loose with a series of baskets which completely got the best of the freshmen players. Compton and Spicer, both sophomore basket shooters were in very good form.

Two players on the frosh team were put out on fouls, and as their were no subs, the remainder of the team had to double up in the positions.

Sophomore Co-eds Again Massacre Freshmen; 27-18

Playing a close game all the way through, Harmon's sophomore team barely managed to gain a lead over Lee's team of freshmen. Monday night when the closing whistle blew, the final score was 27 to 18 in favor of Harmon's crew.

At this game the teams seemed better matched. Both sophomores and freshmen played very well, having excellent team work. The passing between forwards especially excelled. Fouls seemed to lose favor with the players, and the result was a snappy exciting game. Harmon shot the most goals for the sophs, while Walton scored for the frosh.

The freshman team is steadily improving and as soon as a little more teamwork is developed, they should be able to equal the Sophs. The Freshmen have some real scrappers and no doubt will be real competition before many more games.
